For the Good (Public Participation): Bids out?( Yes),could lose Lick Run, what about that new toy, in late 70's lost revenue sharing, school wage tax get ½ percent and could lose that, if raising taxes will visit each resident door to door to upraise, be more conservative, got rid of Vplow (no agree with that), less on earned income population aging below 8%, neither came to Bicentennial, didn't come to not step on current Supervisors toes, Supervisor Robbins came even though making hay, McWilliams Dad worked hard for this Township, Martenas taking water wheel back, it's a shame really
